

## In Their Own Words (Student Testimonies)

**We asked our students: “If someone were to ask, 'why should I come to PBCA', what would you say?”**

“To learn about God. It's important.”

- Kindergarten Girl

“You can learn how to be a Christian and learn about God. The teachers are nice. We play dodge ball in gym.”

- Second Grade Boy

“I think you would enjoy it. You should ask your parents, 'May I go to Perth Bible Christian Academy, because that school teaches Christianity and I want to grown with Christ.'”

- Fourth Grade Boy

“Our school is based on Christian curriculum. We have great teachers and a great principal. We have smaller classes and your children will get more time to learn one-on-one with their teachers.”

- Fifth Grade Girl

“There is a lot of time for fellowship and relationship-building with friends and with God.”

- Junior High Student

“It's a good school. The students and teachers are kind and encouraging. Everyone supports each other. You can get extra help when needed. You can learn Christian values through God's Word.”

- High School student
