Mark Appell, Assistant Pastor & Interim Academy Administrator

September 18, 2008

Dear _____,

It is such a privilege to have your child(ren) participating in our Olympians Club this year. Your child should have brought home a calendar of club meetings, special events, and group Christian Service opportunities from now through the end of December. NEW this year, we are going to be having a special “theme” each week – these are also specified on the calendar. The clubbers are all very excited about this and may occasionally need your help preparing for the week's theme.

In addition to the fun and engaging teaching and activities on Club Nights, each child is given and encouraged to take advantage of additional opportunities to support and enhance their spiritual and emotional growth. These opportunities include Scripture Memory, personal Quiet Times, age-appropriate Christian reading, and Christian Service. None of these are required for participation on Club nights, but they are strongly encouraged for the optimal blessing and growth of each one! We will happily coordinate these opportunities and have a full range and variety of incentives and rewards for the clubbers for that which they do successfully complete.

Therefore, we strongly suggest that each clubber purchase a “Student Pack” as soon as possible. Each Student Pack includes a full-color spiral-bound notebook with a full year's worth of age-appropriate Quiet Times and a prayer diary. The notebooks also have pockets to keep their award stickers, certificates, etc. and the Olympian Verse Card.

To order, please use the enclosed form and provide the appropriate payment (there are no other Club fees). You may mail your order and payment to the church office, bring them in to the office anytime, or give to one of the Club Coaches at the next meeting. If you would like to like at one first, that can be arranged as well.

Thank you, we are looking forward to tremendous year!

Joyfully serving the Lord,

Pastor Todd
Rev. Todd G. Leupold
